

BDC Years 7-10 Sports Program 2018

Sport is a compulsory and important aspect of schooling at Bishop Druitt College. It provides students with access and an opportunity to participate in a variety of different sports and activities over the year. All activities are fully supervised by qualified staff and, where necessary, additional instructors and coaches.

Water based activities are assessed on weather conditions and student ability levels, and are adjusted accordingly. There are no water-based activities that are unstructured or unsupervised.

Year 7 Sport Information

When is sport run?

Sport for Year 7 is Period 1 and 2 each Monday commencing Week 2 of Term 1. Students wear their sports uniform to school and may wear appropriate clothes for water sports but must change to full sports uniform at recess after returning from sport.

When do students make their choices?

Year 7 will make their sport choices for 2018 online during the second orientation day. Parents will receive an email with the final selection and payment must be made via the Parent Lounge before the student can attend the sport in Term 1. **Changes are not possible**, so students need to talk to parents and choose wisely.

Buses

Students will catch buses to and from sport as necessary. The location for these will be published around the college.

Uniform

Students must have the full correct sports uniform. This includes hat and correct sport shoes. For water activities this will mean swimmers, thongs and towel.

Injured or sick?

Students who are sick or have an injury they must bring a note from a parent/carer. They can still attend sport and assist with activities if possible. If it is an ongoing medical condition you will need to provide a medical certificate.

Wet weather

In the event of wet weather assume your sport is ON. Alternative sports will be organised if it is too wet for your sport to go ahead.

Monday Sport contact

If you have any questions see Ms Reinhold in the PDHPE office in the Branson Centre:

Email: kreinhold@bdc.nsw.edu.au

Phone: 66515644 ext. 228

Sport in Terms 1 & 4

Students will have the option of several sports that are land and water based. Included below is information about the sports and the associated costs for 2018, please read and discuss these options with your son/daughter. Students will make their choices for 2018 online at the college during their second orientation day.

Sport in Terms 2 & 3

The sports undertaken during the winter terms are set and are gender and house based. Students will rotate through different activities.

Billing procedure

Please note that ALL sports with associated costs will be billed for the whole term. Wet weather sport will be taken into account and alternative sports will occur where possible. There will be no refunds for absences, except under exceptional circumstances over a prolonged period. This action is to secure bookings and venues, and for ease of payments with relation to accounting.

The cost for sport each term is listed below. When sports selections for 2018 are finalised an email will be sent to parents confirming the student's sport selected for the upcoming term directing them to the Parent Lounge to accept and make the payment before students can attend that sport.

There will be no changes so students need to choose wisely.

Year 7 Sports

Year 7 students will have the choice of 6 sports for **Term 1** and **Term 4**. The costs are approximate and will be confirmed when the payment/acceptance email is sent.

Term 1 – Year 7
