

# Cafe BDC Can you help?

This year our college canteen is getting a makeover in a number of ways. Firstly, a new healthier menu has been introduced. Secondly, the exterior and interior will receive a much needed facelift. And finally, with a new common timetable both primary and secondary students are on breaks at the same time. So we need your help!

## Cafe BDC volunteers needed, can you help?

Three types of helpers are needed:

- a) food preparation
- b) serving
- c) baristas (making coffee)
