Dear Parents,

To grow as readers, children need to read a lot—both at school and at home. Research shows that the benefits are immeasurable when children read frequently for pleasure. The four dynamics that are among the most powerful predictors of reading frequency for children ages 6–17 years (from the 2015 Kids and Family Reading Report) are:

- A child’s belief that reading books for fun is important
- A child’s reading enjoyment
- Parents’ reading frequency
- Parental involvement in their child’s reading habits.

A Scholastic Book Fair is the perfect place for children to discover a love of books and ignite a lifelong passion for reading. Look through this invitation with your child to preselect some possible choices and pay for your books at the Book Fair. Have fun choosing books together!

Books start at only $4!

Every purchase you make earns free books and learning resources for our school!

If you are unable to attend the Fair you may wish to choose from the books in the invitation. List your choices below and pay in advance using one of two methods:
- Online
- By phone.

Be sure your child brings this invitation and completed form back to school during the Book Fair.
