INFORMATION ON ELICOS FOR OVERSEAS STUDENTS

English Language Intensive Courses for Overseas Students are offered by Southern Cross University (SCU) English Language Centres, situated at the Lismore, Coffs Harbour and Tweed Gold Coast campuses.

All of the English Language Centres are NEAS accredited and compliant, and the teachers are highly qualified and experienced. Their courses are designed to assist overseas students with their language skills and prepare them for study up to SCU degree study level.

SCU College at Coffs Harbour prepares students for study at an Australian high school. In the High School Preparation Program students learn how to communicate with Australian classmates and teachers as well as learning the English skills for high school subjects such as mathematics, science, geography and history.

You also receive regular homework and sit a monthly exam to test your progress.
