Welcome to Bishop Druitt College

As the Principal of Bishop Druitt College I would like to take this opportunity to invite you to study at our college.

Bishop Druitt College strives to be a vibrant, globally-oriented learning community and it is through sharing in learning with you that our students will be culturally enriched and prepared for their place in the world. As a student at Bishop Druitt College you will experience a family-like community that values you as a person and cares for your welfare.

Our teaching staff are well qualified and respected and will focus on your learning needs as you enjoy excellent classroom facilities within our college. We want you to feel at home within your new place of learning. It will be exciting; you will make new friends and learn new things as you continue your education in an Australian school.

We hope that Bishop Druitt College can help you to achieve your goals.

Mr Alan Ball
Principal

In order to assist you in preparing to come to your new ‘home’ we have put together this handbook, which we hope will answer many of your questions about studying at Bishop Druitt College and living in Coffs Harbour.

The teaching staff

All the staff at our college are here to assist you to learn as quickly as possible. Therefore, we want you to feel free to talk to us at any time and to discuss any problems that you may have.

Our staff are very helpful and friendly so try to learn their names and always be courteous to them by saying ‘hello’ or ‘good morning’.

The college staff dealing with overseas students have been orientated to the ESOS Framework and are aware of students’ rights and responsibilities within this framework.
Conditions of enrolment/preliminary requirements

Bishop Druitt College requires all potential students to complete an Australian Education Assessment Services (AEAS) assessment. The college relies on the test results (AEAS report) to provide information about each student that is independent of the student’s school reports. This assists the school when deciding whether to accept the student’s application or to refer them to ELICOS. For more information on AEAS, please visit www.aeas.com.au

a. Depending on the student’s English language ability, the student may be required to successfully complete an English Language Intensive Course for Overseas Students (ELICOS) program prior to being offered a place at Bishop Druitt College. Further information on ELICOS is available on our website.

b. While Bishop Druitt College will assess each student’s AEAS results on an individual basis, as a guide students in Year 7 – 10 will be expected to achieve a score of 50 or above and Years 11 -12 a score of 60 or above to be accepted without the need for ELICOS studies before enrolment at the college.

c. As a condition of enrolment the student agrees to abide by all school rules, regulations and policies for the duration of their enrolment. Please read all sections of this booklet carefully and access the policies for international students found on our college website to ensure you understand what will be expected of you as a student at Bishop Druitt College.

International student policies can be found here: http://www.bdc.nsw.edu.au/overseas-students

Other college policies can be found here: http://www.bdc.nsw.edu.au/policies

Also, please read the Education Services for Overseas Students (ESOS) framework document. This outlines your rights and responsibilities as an overseas student. A copy of this document can be obtained from our Overseas Student Officer or from our web site: http://www.bdc.nsw.edu.au/overseas-students

Contact details

Please note that during your enrolment at Bishop Druitt College the college must be informed in writing immediately of any change to your residential details, including address and/or telephone numbers. Bishop Druitt College must also be notified of any changes to contact details for parents, guardians, or agents.

At the beginning of each school term the school will seek information from you regarding your current contact details (address, mobile phone number and email address). If you are under 18 years of age the contact details of your parents/legal guardians will also need to be updated.

Where a student fails to satisfy course requirements relating to attendance or academic performance Bishop Druitt College is required to send a notice informing the student of this to the student’s last known address. If the student is under 18 years of age a notice must also be sent to parents or legal guardians. If address information held by the college is not up to date automatic student visa cancellation could occur without the knowledge of the student. Such cancellation may not be reversed if it has occurred where the student has failed to keep Bishop Druitt College informed of their address.
Welfare and accommodation requirements for students under the age of 18

Students under the age of 18 are required to maintain adequate welfare and accommodation requirements as a condition of their student visa.

Where a student under the age of 18 is not in the care of a parent or nominated relative the student's accommodation arrangements must be approved by the school.

Refund policy

Bishop Druitt College refund policy applies to all course fees paid to the college by full fee paying overseas students and includes any fees paid to an education agent to be remitted to the college. Course fees include:

(i) Tuition fees – fees related to the delivery of the enrolled course
(ii) Non-tuition fees – other fees charged by the college.

The policy has been developed in accordance with the Education Services for Overseas Students Act 2000.

a. Eligible refunds will be calculated according to the Education Services for Overseas Students (Calculation of Refund) Specification 2014.

b. Refunds will be reimbursed in Australian dollars and the payment sent to the applicant’s home country unless otherwise requested in writing. Refunds will be paid to the student or the person specified in the written agreement. Refunds that the student is eligible for will be paid within four weeks after receiving a written request from the student, or in the case of a student under 18 years of age, their parents or guardians.

c. All notifications of withdrawal from a course, or applications for refunds, must be made in writing and submitted to the Principal, Bishop Druitt College.

d. Where the college is unable to provide all or part of the course in which the student has enrolled, and the student does not accept enrolment in any alternate course offered by the college, the college will refund any tuition fees that have been paid in advance for the undelivered component of the course.

e. Where the student defaults on their enrolment, and the college has not entered into a written agreement with the student in relation to refunds of course fees, the college will refund the tuition fees that have been paid in advance for the undelivered component of the course.

f. Where the student defaults by failing to start the course in which they are enrolled due to visa refusal, the college will refund course fees paid in advance by the student minus the lesser amount of the following amounts:

(i) 5% of the amount of course fees received by the college before the default day
(ii) $500.
g. Where the student defaults for any other reason the college will refund any tuition fees that have been paid in advance for the undelivered component of the course. A student defaults in any of these cases:
   (i) The student does not start on the agreed course date and has not previously withdrawn.
   (ii) The student withdraws from the course either before or after the agreed starting date.
   (iii) The college withdraws from the provision of the course to the student because of any of these reasons:
       a. The student fails to pay course fees that they are liable to pay to the college, either directly or indirectly, in order to undertake the course.
       b. The student breaches a condition of their student visa.
       c. Misbehaviour by the student.

h. The college will report to the Secretary of the Department of Education through the Provider Registration and International Students Management System (PRISMS) and the Tuition Protection Service (TPS) Director whether they have provided a refund to a student in cases of student default, where
   (i) A student’s visa is refused
   (ii) There is no compliant written agreement in place.

i. The report to the Secretary and the TPS Director of the discharging of the college’s obligations to the student in the cases of refund outlined in clause (h), shall be made within 35 days of the default occurring.

j. This agreement, and the availability of complaints and appeals processes, does not remove the right of the student to take action under Australia’s consumer protection laws.

Complaints and appeals procedures

Support and counselling services are available to all students if required. In the first instance, our Director of Learning and Teaching, teaching staff, Overseas Student Officer or, if desired, your preferred nominated representative will be available to discuss any concerns you may have. In the case when these people are unable to assist you they will contact on your behalf the appropriate person who can assist you with your particular concerns.

You are able to access the Overseas Student Complaints and Appeals procedures should you feel that your concerns have not been addressed through the informal process outlined above. Please refer to the chart at the end of this booklet for an outline of these procedures. A copy of the Overseas Student complaints and appeals policy can be found on the college website: http://www.bdc.nsw.edu.au/overseas-students

Please note that direct contact can also be made with the Overseas Student Ombudsman. This service is independent and can be accessed at no cost to the student:

Services available for students

1. **Student contact officer**
   Bishop Druitt College has an Overseas Student Officer whose role is to provide support services to our overseas students. These services are to assist you with the successful adjustment to life and study at our college and to help resolve any problems that may interfere with the successful completion of your study program.

   Our Overseas Student Officer will assist you when you first arrive with your orientation as a student at Bishop Druitt College. On your first day the Overseas Student Officer will assist you with your stationery list and outfitting of your uniform at the college uniform shop.

   Our Overseas Student Officer will make regular contact with you during your enrolment at the college. You may contact them at any time with any queries you may have relating to your home stay, visa, passport, excursions, sporting activities and student ID cards.

2. **The academic staff**
   Our Director of Learning and Teaching and the academic teaching staff will be happy to help you with any questions that you may have regarding your studies at Bishop Druitt College. The Director of Learning and Teaching will also be able to advise you in relation to your future enrolment at Bishop Druitt College. She is responsible for monitoring the attendance and course progress of our overseas students and is available to discuss any concerns you may have with these.

3. **Welfare support services**
   Our Overseas Student Officer, Director of Learning and Teaching, and members of the college pastoral care team, including the Director of Pastoral Care, college counsellors and college chaplains, will be available to you in the event that you may want to discuss any personal issues or problems with them. Assistance can be provided to help you seek support from external agencies should the college staff be unable to meet student welfare support needs.

4. **Interpreting services**
   Our Overseas Student Officer is available to assist students and staff in locating an interpreter when needed.

5. **Student library resources**
   Subject textbooks for secondary students are made available on loan from our college library for the duration of the course. Students can borrow other library resources for a maximum of two weeks.

**Home stay**

We will place only one student of each nationality with each of our home stay families. Each student will have a single room with a bed, desk and wardrobe. Your home stay family will provide you with 3 meals per day and your home stay family will do your washing, if you wish. Your home stay family will play a major role in improving your English and in providing you with a comfortable and friendly home environment. Please follow the rules as outlined below:
(a) **Communication with your home stay family**  
Please communicate with your home stay family in English at all times as this will assist you with your English studies. At all times let your home stay family know if you are going to be late for dinner and please obtain their permission if you want to stay with friends during the weekend.

(b) **Participation in family life**  
Most Australian students assist their parents by doing small jobs around the house. As a member of your new 'family' you should be prepared to make your bed, keep your room tidy and assist in clearing the table after meals.

(c) **Using the telephone**  
If you need to use the telephone please request permission from your home stay family and offer payment for each local call. At times you may want to make long-distance telephone calls to your parents. In order to make international calls please use reverse charge, ring-back price or a phone card. If you want to make a ring-back price call, then you should follow this procedure:

- Dial 0012
- Dial country code (e.g. Brazil=55, Argentina=54, Chile=56)
- Dial your area code (e.g. Brasilia=61, Buenos Aires=11, Santiago=2)
- Dial your telephone number
- Once you have completed your call hang up the telephone. The telephone operator will then call back and will advise you of the cost of your call. Please pay your home stay family this amount of money.

Please note that you can purchase a phone card either online or from any newsagency in Australia. This phone card enables you to make both local and long-distance telephone calls at competitive rates.

Skype, FaceTime, or other similar services may be an alternative, no-cost, communication option for having contact with your family.

(d) **Change of home stay family**  
If for some reason you feel you need to change your home stay family then you must advise the Overseas Student Officer who will then assist you in this matter.

**Living in Australia**

Information on living costs in Australia can be found at the Study in Australia website:
