## STUDENT ACCIDENT INSURANCE PLAN

The College takes out student accident insurance with Aon Risk Services Australia Limited. This covers all students against a range of events that may result in the student incurring personal injury whilst engaged in school-organised activities. The policy will provide monetary relief to assist parents with hospital fees and other expenses related to an accident.

The documents linked below contain detailed information on the benefits available, the range of injuries covered under the policy and the forms required when making a claim. The College covers the annual cost of the policy. As a general rule, costs that are not eligible for Medicare rebate are covered under this policy.
