### Registration

All current NSW Basketball players must be registered with the Basketball Association. You can pay this at the Basketball office at Sportz Central – Primary players \$60.00 and Secondary players \$65.00. This registration fee last for 12 months from the date paid.

**Are you currently registered?** Yes/ No / Not sure (Please Circle)

**Uniform:** Singlet size \_\_\_\_\_

### New Players to BDC

Your shorts can be purchased at the Uniform shop. BDC playing singlets will be supplied for the season. If not returned at the completion of the season the cost of the singlet will be charged to your school account.

### Division one side: (Secondary only)

I would like to trial for a Division One side.

There will only be a Division One team if there are enough players of ability to form a Division One team in an age group. Otherwise teams will be of mixed ability.

I do not wish to trial for a Division One side and these are some of the players I would like to play basketball with this year. Please indicate up to 2 other players that you would like to play basketball with this year. Note there is no guarantee that they will be in your team but we will do our best to meet every ones needs.

---

Primary students will trial for teams and be placed appropriately on their ability.

### Coaches, Managers and Parent Helpers.

All teams require a manager, a coach and parents who are willing to help with duty during the game. Please consider taken on one of these roles.

#### 1. Coaches

The coach's role is to encourage and direct the players at training and during the game. We will endeavour to run coaching courses for all parents who would like to improve their skills and knowledge as a coach. Coaches will be issued with a set of training balls, bibs and a booklet with training drills.

I am happy to coach a team this year

#### 2. Managers

The manager's role is to be a contact person for the team, support the coach when needed and assist in the organisation of a duty roster and to check the list at the stadium for unregistered players. You may also be called upon to assist in coaching duties if needed.

I am happy to manage a team this year.

#### 3. Parent helpers

If you are a parent thinking of helping with duty and you are unsure of how to do duty, please feel free to contact Mrs Walker anytime and she will assist you. Parents can also assist by taking on the role of back up coach or manager when needed. If you can assist as a back up manager or coach or on the duty bench, please indicate below.

I am happy to be on a roster for duty during my child's game and /or to be a back up coach or manager.

#### (Secondary only)

Secondary teams can have a supervising parent only and not a coach if there is no one willing to volunteer for the role of coach. If there is no supervisor then the team will not be entered.

I am happy to be a parent supervisor every week.

I am happy to share this role with other parents.
